## ChopperDave Ancestry Challenged!

New Photo Reveals Little to Mystery of ChopperDave's Vast Knowledge

Historians have uncovered this picture believed to be a distant relative of ChopperDave. Obvious similarities to current-day ChopperDave (Inset) include (but are not limited to): cheezy facial hair, stupid bowl haircut, lack of proper safety equipment, raggedy clothing. However, at least for now, ChopperDave's vast knowledge is still unexplainable.

### Upcoming ChopperDave events:

- August, 2008 ChopperDave's Econo-Run
- September, 2008 ChopperDave's Live for Leaves Fall Tour (Cancelled)
- October, 2008 BlueBrian's Wisconsin Mini-tour of Speed

### Recent Ride Photos:

Blue Brian tours Wisconsin. (Not actual photo, but similar)

### ChopperDave's Art Korner

Bike art has become increasing popular in recent years. Many artist have begun to emerge as the "leaders" in this field. David Mann pretty much invented it., but there are some pretty cool prints available. More to follow...stay tuned.

#### RedRyan, WhiteRanger Expecting!

**Vrodboy Moves Vast Wealth Offshore**

St Cloud, MN—ChopperDave has learned that RedRyan has taken some time off from studying/hunting and WhiteRanger from working to ... well...ahh...hey! They're having a baby! Congratulations!

ChopperDave's design team has already begun work on a prototype baby seat (shown at right) for the CBR2010. Before you Obama-types start with the cards and letters, please note this is a prototype. No babies were harmed in the making of this newsletter.

Provided the Bailout can provide some economic stability to our shaky financial markets, lpodboy (aka: Vrodboy) will be dishing out huge dough to outfit the little tike in the latest leather and/or lace.

ChopperDave's latest betting line shows the over-under for number of months until BlueBrian and YellowLeah attempt to trump this news with a similar announcement at 11.

In somewhat related news, if you are looking for a slightly used CBR, that has only been run over by an SUV once, contact ChopperDave. He *may* know where you can get one cheap.

## ChopperDave's Education Corner

During this election year, many of you voted (perhaps some for the first time) to elect a new president. Well, it's over, and whether you voted against Bush or for a hot VP, what's done is done and it's time to move on. The president is leader of the free world, the Commander in Chief, and the office deserves the respect and support of our nations people. Maybe you wanted Ted Nugent to be president. Well, your chance is coming about 4 years from now. But for the time being, "Screw It, Let's Ride!"

Many fans demanded new and exciting ChopperDave apparel and collectables, and once again, ChopperDave comes through!

The new reminderband from ChopperDave is inscribed with "I ride with ChopperDave" done up in classic black and orange. These are not sold in any store. Only 15 of this limited run collectable items were produced and when they are gone, they are gone, forever!

Wearers are reminded to **ride safe** each time they "ride with ChopperDave". Welcome to ChopperDaveNation!
